

Ready to roll

Build a hedgehog home!

Bits & bobs you need

cardboard box

newspaper

grass and twigs

black bin liner

scissors

1

Cut a little door out for your hedgehog on the front of your box

2

Put some torn up newspaper inside your box and some clean, dry grass on top

3

Find a nice quiet spot in your garden, near a bush or hedge if you can

4

Pop your black bin liner over your hedgehog house and cover with twigs, grass and leaves

Leave some seeds or worms out for your hedgehog to nibble on
