

A quacking time

Feed the ducks!

Bits & bobs you need

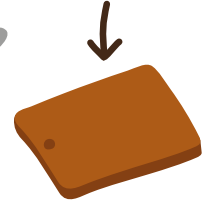

potato and carrot peelings

a knife

chopping board

little plastic bag

Safety first!
Ask a grown-up to help with chopping

1

Chop some potato and carrot peelings kept from last night's dinner into small pieces

2

Pack your veg peel into your little plastic bag and take to your nearest duck pond

3

Stand by the pond and throw the veg peelings into the water for the ducks to nibble on

4

Can you count how many happy ducks you see?
